

Raised Toilet Seat With Lid, 2"

Lightweight with lid, all plastic construction, for strength & durability. The seat has a gentle contoured surface for extra comfort. Resistant to stains & odours, it is fully sealed & easy to clean. The large front & rear cut-outs allow for easier personal cleansing. It has no front bracket, or front turning knob, making fitting easier & reducing the risk of snagging skin or clothes.

Width:	369 mm
---------------	--------

Height:	51 mm
----------------	-------

Max. User Weight:	190 kg
