

Heavy Duty Aluminium Shower Chair

The Aluminium Heavy Duty Shower Chair enables comfortable & safe showering, with a curved seat for comfort & drainage. Heavy duty with a maximum user weight of 150kg. Made with a rust resistant aluminium frame. The uncoated internal sliding legs provide smooth effortless height adjustment with rust resistant brass push pins, while avoiding any chance of water filling the legs. Reinforced frame using 25.4mm tubing enables users to gain a firmer grip making transferring safer and easier. Tested to Australian standards.
